MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT : Project [REDACTED]

25X1A2d1

25X1A8a

1. At the Project Review Committee meeting on 26 May 1954, at which time the [REDACTED] program for Fiscal Year 1955 was considered, the Chairman (General Cabell) directed that the [REDACTED] personnel positions required for subject project be converted to temporary voucher staff positions for the duration of the project (approximately 3 years). It is not believed that any subsequent action has been taken to implement General Cabell's decision. I am, therefore, asking the Comptroller to take such action as may be necessary to transfer immediately the payment of personnel on Project [REDACTED] from unvouchered to vouchered funds.

2. It is requested that the DD/P make ceiling adjustments within the DD/P area to provide the increase in ceiling to [REDACTED] that is necessary to carry out the responsibilities arising out of this project. The opportunities for such an adjustment is indicated in the monthly Personnel Statistical Review for 30 September 1954, which indicated the on-duty strength of overall DD/P as [REDACTED] vacancies under authorized ceiling and [REDACTED] vacancies under authorized ceiling.
